- CURRICULUM IS COMPREHENSIVE. Lessons scaffold skills.
- INNOVATIVE HANDS-ON ACTIVITIES fit any type of educational setting.
- DESIGNED IN THE CLASSROOM by practicing teachers.
- DIGITAL DELIVERY TO TEACHERS = rapidly updated content based on user feedback and an ever-evolving digital world.

*At the heart of every Cyber Civics lesson is a hands-on inquiry-based investigation. As students move through each level they negotiate and create the social norms that will guide their future online practices.*

*Since instituting this three-year middle school series, the school has nearly eliminated bullying and behavioral issues and significantly boosted standardized test scores. 'What has been a small investment has paid off tenfold,' says Shaheer Faltas, the Journey School principal who instituted the program.*

- Education Week

*Cyber Civics lays a strong foundation for healthy digital ethics, information and computer literacy so when children face inevitable, difficult choices online, they will make the right decisions.*

- Dr. Paul Helfrich, Teacher, Westside Waldorf School, Los Angeles, CA

*An excellent resource to teach students how to be safe and wise online. The activities, videos, resources and support staff are top-notch.*

- Morgan Hensley, Teacher, Southwestern Middle School, Hanover, IN
